This contract is provided as a secure and binding agreement which defines in specific terms the relationship and interaction between two individuals, hereafter termed the Slave and the Master (both terms are intended to be independent of sex or gender identity). This agreement is legal and binding.

This agreement must be entered voluntarily, but cannot be broken except under the conditions stated herein, after which certain precautions shall be taken to protect those involved (See section 7.).

## **1. Slave's Role**

The Slave agrees to submit completely to the Master in all ways. There are no boundaries of place, time, or situation in which the Slave may willfully refuse to obey the directive of the Master without risking punishment, except in situations where the Slave's Veto (see section 1.0.1) applies. The Slave also agrees that, once entered into the contract, their body belongs to their Master, to be used as seen fit, within the guidelines defined herein. All of the Slave's possessions likewise belong to the Master, including all assets, finances, and material goods, to do with as they see fit. The Slave agrees to please the Master to the best of their ability, in that they now exist solely for the pleasure of said Master.

## **2. Slave's Veto**

The Slave, where appropriate, holds Veto power over any command given by the Master, at which time they may rightfully refuse to obey that command. This power may only be invoked under the following circumstances, or where agreed by both Master and Slave:

- a) Where said command conflicts with any existing laws and may lead to fines, arrest, or prosecution of the Slave.
- b) Where said command may cause damage to the Slave's life, such as losing their job, causing family stress, etc...
- c) Where said command may cause permanent bodily harm (see 4) to the Slave.
- d) Where said command may cause psychological trauma to the Slave, such as a rape scene for a Slave that has been raped in the past.

### **3. Master's Role**

The Master accepts the responsibility of the Slave's body and worldly possessions, to do with as they see fit, under the provisions determined in this contract. The Master agrees to care for the Slave, to arrange for the safety and well-being of the Slave, as long as they own the Slave. The Master also accepts the commitment to treat the Slave properly, to train the Slave, punish the Slave, love the Slave, and use the Slave as they see fit.

## **4. Punishment**

The Slave agrees to accept any punishment the Master decides to inflict, whether earned or not.

## **5. Rules of Punishment**

Punishment of the Slave is subject to certain rules designed to protect the Slave from intentional abuse or permanent bodily harm (see 6.). Punishment must not incur permanent bodily harm, or the following forms of abuse:

- a) Blood may not be drawn at any time. Punishment must stop immediately if blood is drawn.
- b) Burning the body.
- c) Drastic loss of circulation.
- d) Causing internal bleeding.
- e) Loss of consciousness.
- f) Withholding of any necessary materials, such as food, water, or sunlight for extended periods of time.

## **6. Permanent Bodily Harm**

Since the body of the Slave now belongs to the Master, it is the Master's responsibility to protect that body from permanent bodily harm. Should the Slave come to permanent bodily harm during the course of punishment or in any other related activity, be it by intention or accident, it will be grounds for immediate termination of this contract, should the Slave so desire. Permanent bodily harm shall be determined as:

- a) Death.
- b) Any damage that involves loss of mobility or function, including broken bones.
- c) Any permanent marks on the skin, including scars, burns, or tattoos, unless accepted by the Slave.
- d) Any loss of hair, unless accepted by the Slave
- e) Any piercing of the flesh which leaves a permanent hole, unless accepted by the Slave.
- f) Any diseases that could result in any of the above results, including sexually transmitted diseases.

## **7. Others**

The Slave may not seek any other Master or lover or relate to others in any sexual or submissive way. To do so will be considered a breach of contract, and will result in extreme punishment. The Master also may not seek any other Slave or lover or relate to others in any sexual or dominant way. To do so will be considered a breach of contract, and may result in termination of the contract.

## **8. Alteration of Contract**

This contract may not be altered, except when both Master and Slave agree. If the contract is altered, the new contract shall be printed and signed, after which the old contract must be destroyed.

## **9. Termination of Contract**

This contract may be terminated at any time by the Master, but never by the Slave, except under have special conditions explained within this contract (seen articles 8. & 9.).
